

**CECILLE AGMATA**

**SENIOR PROJECT COORDINATOR, RESEARCHER AND CONSULTANT**

*“Arlington is passionate about contributing to the growth and transformation of organizations and providing exceptional support to leaders. Arlington’s commitment to promoting diversity of thought and its innovative and integrated approach to working with organizations and leaders is very inspiring, and I am excited to be part of this wonderful team.”*

Cecille Agmata is a Senior Project Coordinator, Researcher and Consultant at Arlington Partners International. Cecille thrives in fast-paced and dynamic work environments and possesses strong administrative and project coordination skills and competencies enhanced by diverse previous work industry experience from corporate, public and not-for-profit sector.

At Arlington, Cecille works closely with Arlington’s Leadership Team by providing integrated execution support as well as coordinating projects to deliver the highest calibre candidates and client service. Cecille is responsible for supporting a wide range of executive search and advisory projects across a broad spectrum of practice areas at the Board, CEO and Senior Executive levels within a variety of industry sectors including financial, legal and professional services, real estate, media and entertainment, technology and innovation, food services, healthcare, academia, and a wide range of non-profit associations, organizations and Foundations across North America.

Throughout her career, Cecille has maintained high performance standards within a wide array of administrative and project coordination functions. Cecille’s experience in working with various senior executives, leaders and key stakeholders in the past 20-plus years is an asset to the Arlington team. With her collaborative approach to achieving outstanding results and high level of customer service orientation, Cecille perfectly complements the high-touch approach Arlington Partners International cultivates in its partnership with clients, candidates and the Arlington Leadership Team.

Cecille earned her Bachelor of Arts in Psychology and Certificate in Human Resources Management from York University.
