

LANA DRISCOLL

MANAGING DIRECTOR

"I believe Executive Search is a transformative process for all involved; and ensuring you have a diverse, inclusive and effective leadership team is essential for board and corporate success. The search process is essential to create a transparent, thoughtful, humane and reasoned methodology. Arlington Partners comprehensive assessment practice and high-touch approach ensure the highest quality and professional service to clients and candidates alike."

Lana Driscoll co-leads Arlington's Board, CEO and Legal Practice across North America. Lana brings 20-plus years of experience supporting both domestic and international clients in Executive Search and Selection in the Private Practice and In House legal sector having been a Partner and Consultant in both National and International firms. As Managing Director in the Corporate Practice, Lana is responsible for leading the Arlington Process on searches across all industry sectors, as well as developing the Legal, Financial Services, Media and Entertainment, and Board, Healthcare Not-for-profit and Academic practice areas for Arlington across North America.

A solid relationship builder and communicator, Lana brings a values-based, authentic and transparent approach to Arlington's search process helping connect CEO's, Senior Executives and board members to unique opportunities that will help them reach their potential as leaders. Her ultimate goal has always been to help individuals find roles where they will continue to grow and thrive and to help organizations find the right talent for transformation and success. Lana is actively involved with the first module of Arlington's Board Readiness and Talent Management Program working with executives to unlock their networks and take their Board, Advisory and Executive careers to the next Level. Lana always welcomes the opportunity to join forces with a team of like-minded individuals and make an impact on Boards, corporations and careers.

Outside of her work, Lana is a passionate advocate for Mental Health Awareness having supported the CMHA, York Region in planning their annual charity bike ride and run as well as participating as a Connector Champion on the Loneliness Project. Having lived in 5 countries on 4 continents, she currently makes her home in Toronto where she enjoys yoga and long hikes with her pup Clover. Lana holds a BA from the University of Regina and CHRL.
